➤ The Vancouver Foundation has approved a grant of \$3,700.00 to engage a Consultant over a six month period to assist in reviewing our direction and future planning. This review will include developing strategies that will assure the sustainability of Circle F. We express our warm thanks for the grant which was drawn from the Doreen Martin Margetts Fund for Animal Care.

➤ The Abbotsford Community Foundation has provided a grant of \$2,700 towards our vet bills for 2014. The grant comes from the Mary Victoria Wakefield Animal Welfare Fund. The support from the Foundation is always truly appreciated as it will help us look after the horses in our care while they await adoption.

➤ Communication about timing and the selection of the new Manager will be given as the information becomes available.

➤ Increased attention will be given to strengthening our donor and support base.

Our major fundraiser of the year, the 5th Annual Poker Ride and Walk, takes place at the Campbell Valley Regional Park, Sept. 27th, 2014! Watch [here](#) for additional events. **And don't forget #GivingTuesday 2014!**
