Hats Off to the Volunteers

Someone from Prince George came across our new website and wrote back saying:

"Since I visited your website I'm talking nonstop about Circle F Horse Rescue. I wanted to let you guys know that what Circle F is all about is absolutely wonderful. I can't even begin to find words that even come close to what I would like to say to everyone involved. Thank you is for sure one thing I can find the proper words for. Thank you for being so caring, loving and compassionate towards these horses who may have never known anything positive. Thank you for your valuable time, energy and knowledge spent being volunteers. It's a great thing going on there!"

"The entire world's treasure is
 in between a horse's eyes .."
