REEDOM FOR ALL HORSES

www.circlef.ca

December 4, 2014

## Dear Circle F Friends:

No doubt you may have been caught up in the excitement of #Giving Tuesday, December 2 <sup>nd</sup>. It has become a national movement, a new global day of giving. This giving event follows the highly publicized Black Friday and Cyber Monday. It kicks off the year end giving month. A number of you may have donated to Circle F Horse Rescue on December 2 <sup>nd</sup> for which we are truly thankful. A number of you will have made a note to donate in the coming weeks. Your consideration of sending a gift is truly appreciated and I want to thank you in advance for that consideration and for being such a valuable supporter over the years.

I have had the opportunity to send a year end letter for fifteen years and have always enjoyed sending thank you notes and keeping in touch. Well, that is now changing. As many of you may know, Circle F has a new Manager, Kevan Garecki. He is much at home in the horse community and thoroughly knowledgeable in the care of horses. While I am the one writing this letter, he and others will be responding to your support.

I want to thank you personally for your compassion for horses. Your support has been so significant in helping to provide care for so many unwanted horses over the years. Through your support, they have been given a second chance and found a forever loving home. Please help us to continue providing this care. Your donation cheque can be sent by mail or you can give on-line by going to <a href="www.circlef.ca">www.circlef.ca</a> and clicking the <a href="CanadaHelps">CanadaHelps</a> or <a href="PayPal">PayPal</a> icons. For those mailing a cheque, we've enclosed a Donor Card with a return envelope.

Thank you again and the very best of the season to you.

Happy trails,

Walter Paetkau Circle F Horse Rescue
