

Circle F-riend Louise Goldsmith

Louise was featured in our
Summer 2011 Newsletter-
this is an update.

Several years ago Louise Goldsmith, now 99, sent a modest donation to Circle F and Walter responded with a thank you card that said a bit about our horses. Louise has remained in contact since. Walter sends her a note on one of **our** 'horse' cards & she sends her donation in one of **her** hand painted 'horse' cards. With her December 2011 donation, she said she would send more in the Spring which she did. In the envelope was a copy of a news [article](#) & a set of her hand painted 'cards' that she had on display at her students' annual Art Exhibit. Louise resides at Wellington Terrace, Fergus, Ontario where she is an active volunteer leader inspiring many. Since her youth, she has always been interested in horses & likes what Circle F is doing; we are honoured to have her as a Circle F-riend.

Update: On May 23, 2012 the Artists Group of Wellington Terrace had their annual display of paintings and set up a special table of horse paintings to raise money for Circle F. It was a success due to the added support of the Residents Council and Wellington Terrace residents. They raised \$175.00!

Thank you from all of your friends, 2 and 4-legged, at Circle F Horse Rescue Society!
